

There is something new to learn.
So, boys, be prepared!

The Scouts of the 3rd Troop, under Assistant Scoutmasters M. Levy and J. G. Rosser, gave a display on Thursday evening, 29th, at their headquarters, the event being a gymnastic display given by the Boys' Club of the West End Y. M. C. A., in wrestling, boxing, fencing, and other drills. The Scouts came last on the program. Two Scouts crept out on to the gym, and located camp, then blew a whistle, all of the troop marched in, did a little drill and pitched camp and posted sentries for the evening. Then the morning bugle sounded, all Scouts rallied, the flag was hoisted and saluted. A cry was heard in the distance for help. A Scout jumped into the plunge. He was brought on the floor dripping wet and treated for drowning. The enemy is heard in the distance (fireworks let off in a box). Scouts signalled for help; all the Scouts go to the rescue except the ambulance patrol, the injured carried in different ways. Fireman's lift, 2, 3, 4, handed seats, and dragging by ropes; other injuries were shown by real blood; also a Scout sawed off another boy's arm (a wooden one); then all the troop (mostly injured) marched around the floor singing:

"The 3rd Toronto Troop
Are always on the move,
And that they are prepared everybody here
can prove;

We sing the Ecu-gou-yama in a very lively mood.

The 3rd Toronto Troop, Boy Scouts."

J. Gordon Rosser, Ass't S. M. 3, Toronto T.

The 3rd Toronto Troop have been running under difficulties lately. Our Scoutmaster is in the hospital, and many others on the sick-list, so it is up to the Assistant Scoutmasters to make it go. But we have been doing our good turns just the same. A Scout goes to our Scoutmaster's house each day to do the errands, but we hope to have him with us again very shortly.

Toronto, Jan. 20, 1911.

Dear Scout Editor.—The first annual
