Buffalo Visitors

The annual visit of the Buffalo Scouts and Cubs to the 3rd Toronto Group took place over the past week-end, when 39 Buffalo boys and their leaders were the guests of the 3rd at their headquarters—Church of the Epiphany. On Friday evening a banquet attended by some 280 persons was given in the Parish Hall, and addresses were given by the Rev. Mr. Howard and Cubmaster Jim Hughes of Buffalo. Saturday morning at 10 o'clock the boys attended the Cenotaph at the City Hall, where they were welcomed by his Worship Mayor Stewart, who later had them escorted over the City Hall buildings, this being followed with a swim in the Central "Y" tank. On Sunday the boys attended morning service at the Church of the Epiphany, with all the Groups in the Parkdale District of Toronto represented. The sermon was by the Rev. Dyson Hague, who spoke very interestingly to the boys. The return visit by the 3rd Toronto Group to Buffalo is being held this week-end.
