### 3rd Toronto Exhibition

The annual Scout and Cub Craft exhibition of the 3rd Toronto Troop, held in the Church of the Epiphany, Queen Street West, on Thursday and Friday last was the most interesting ever held. Two hundred and thirty Scout and 140 Cub entries in the various sections of the event were well displayed in the large auditorium and created a lot of interest to the many visitors who thronged the rooms. Dave Anderson of the 3rd Pack won the medal for the highest number of points in the Cub section, while Scout E. Aricari of the 3rd Troop won the medal for the Scout section. Many Toronto groups participated—the major points going to: Scouts—3rd, 277 points; 65th, 40 points; 17th, 44 points; 91st, 16 points; 22nd, 16 points. Cubs—3rd Pack, 329 points; 17th, 25 points; 5th, 13 points.

The various competitions in Cub and Scout activities were well contested and resulted in many close decisions. In the Knot Tying section for Scouts, Second Class—First, 65th Troop; second and third places, 3rd Troop. Similar results for First Class. Signalling—First, 91st Troop; second, 91st Troop; third, 65th Troop. First Aid, First Class—First, 3rd Troop; second, 65th Troop. Second Class, First Aid—First, 91st; second, 17th; third, 65th.
