

Visitors From Buffalo

The 3rd, 17th and 68th Toronto Groups were the hosts to more than sixty Buffalo Cubs and Scouts over the past week-end. The Scouts and Cubs were billeted at the homes of their hosts and left expressing their pleasure at the hospitality shown by their Canadian Scouting friends. On Saturday at noon the boys and their leaders were entertained at luncheon at the Church of the Epiphany, the guests of the Ladies' Auxiliaries of the three groups. During the meal they were welcomed by the Rev. Mr. Despard and Field Secretary Buesnel. Presentations of suitable mementoes were made by the hosts to their guests, including a statuette of a Wolf Cub to the 1st Buffalo Pack. On Sunday the boys attended morning service at the Church of the Epiphany and assisted in the dedication of the new colors of the 3rd Toronto Troop.
